Behavior Consulting

NESS BEHAVIOR CONSULTING?

Founded in 2018, we aim to improve the lives of children primarily diagnosed with autism. Services include in-home Applied Behavior Analysis (ABA) therapy, in-school consultation, and social skills services for students with disabilities. We place a strong emphasis on empowering parents and educators, and fulfilling Individualized Education Programs (IEPs).

NESS CARES?

NESS Cares is a non-profit 501(c)(3) organization with a mission to enhance the resources available in our community by engaging in charitable initiatives and providing support to individuals facing challenges related to mental health and special education needs.

Our Programs

SENSORY BAG INITIATIVE

NESS Care's Sensory Bag initiative was created with the specific goal of easing the fear and discomfort of hyposensitivity and hypersensitivity.

CO-PAY & HARDSHIP ASSISTANCE

Our goal is to subsidize copays for behavioral & mental health services. We believe that it is of the greatest importance that these services be continued regardless of individuals ability to pay.

WITNESS GROWTH

A therapeutic space for special needs and social skills development.
